in courage essay contest"

Write essay of less than 1,000 words The Profile in Courage Essay Contest invites United States high school students to consider the concept of political courage by writing an essay on a U.S. elected official who has chosen to do what is right, rather than what is expedient. A "Profile in Courage" essay is a carefully researched recounting of a story: the story of how an elected official risked his or her career to take a stand based on the dictates of conscience, rather than the dictates of polls, interest groups or even constituents; Essay Req
